

Mint Cannabis Mesa Doubles Veterans Discount for Nov. 11, 2024

Mint Cannabis Doubles Veterans Discount to 44% This Veterans Day

PHOENIX, AZ – On Monday, Nov. 11, 2024, Mint Cannabis will honor Veterans in a special way, doubling its standard Veterans discount from 22% to 44% at all six of its dispensaries across metro Phoenix, including locations in Tempe, Scottsdale, Mesa, and Phoenix. This Veterans Day offer reflects Mint Cannabis' commitment to the Veteran community, especially considering the challenges many Veterans face, including post-traumatic stress disorder (PTSD), unemployment, and homelessness.

The Significance of the 22% Discount

Mint Cannabis provides an everyday 22% discount for Veterans, a gesture symbolizing the 22 Veterans in the U.S. who lose their battle to PTSD each day—one every 65 minutes. This rate is the highest discount offered by any dispensary in Arizona, recognizing the often-overlooked psychological toll Veterans face after their service.

A Growing Need to Support Mental Health

Mint Cannabis is dedicated to creating an inclusive space where Veterans feel supported. With nearly half a million Veterans living in Arizona, the dispensary aims to make a meaningful impact.

How to Redeem the Discount

Veterans can redeem this special 44% discount by presenting their military identification at checkout. Accepted forms of ID include Military ID, U.S. Uniformed Services Identification Card, or U.S. Uniformed Services Retired Identification Card.
